5. Meeting scheduled with Squid Lips to avoid conflict

SCR Sponsorship Report (Lisa)

Delivered baskets to SCR 2013-2014 sponsors, working on getting repeat sponsorship

SCR website

Software is outdated and options for new software discussed. Someone from board could be trained to operate and do updates---Ed and Marisa volunteered to do so. Brittany will be asked to get quote. Mobile-friendly would be optimal.

Summer Social

July 12th---Linda reported that Girls on the Run are interested in having a table there. Volunteer lists to be available on table for SCC and EOD races. ROY table with pamphlets (Brittany is working on these) to be printed at Got Print (gotprint.com). Carol can send info to Brittany. Magnets, Handteens, hats, sunshades to be given away.

Volunteer program

Gift card discussion. Store cards would mean we wouldn't pay until redeemed. Point system to earn a jacket discussed, but someone would need to stay on top of points; this idea can be implemented later. Ed working on Chick-fil-a vouchers. Control #s and expiration date of June 30, 2015 for this batch of store vouchers to avoid forgery. Linda will look into creating vouchers. Linda discussed a free website that RDs could use to get volunteers to sign up.

Shirts: neon green cotton for volunteers. Logo on front, Volunteer on back in red. No dates. Trial run of 100, with lots of mediums. Carol will look up last run to get an idea of #s. Race series shirt: short sleeve light grey tech. Front has SCR logo, back has races. Sample available for social?

SCR team

RZ has plenty of singlets that we can buy back. Identify four races to have team sign up. Ed looking into how to comp their races and will write something for the newsletter.

- Board meetings: July's meeting will be combined with the social, Aug—Nov at Merritt Island. Linda working on bookings for next year.
- Meeting Adjourned: 8:05 p.m.
