

December 2021 Newsletter

WHAT. A. YEAR.

As 2021 is winding down, a lot of us are doing our best to stay positive and focused. It's been such a roller coaster of a year for many.

With that being said, we have much to look forward to in 2022 and there is no doubt that it will be another crazy year. Pick ONE thing to look forward to after the holidays and set attainable goals for yourself in the new year.

Try to stay positive and accept the things you cannot change, have the courage to change the things you can, and the wisdom to know the difference.

With that being said, I (Ashley) apologize for the gap in newsletters – we've got a lot to catch up on 😊

We have some very exciting events coming up in the new year and to continue our mission, we rely on local businesses for financial support. If YOU or anyone you know would be interested in sponsoring NWI Triathletes please take a moment to review our sponsorship proposal here: [2022 Sponsor Proposal](#)
